

Sermon Notes

Term – Spring 2019

Series – Wholeness

Gathering & Date – the 10 & the 5, 3 March

Title – People and Community transformed by God's Word through Tearfund's PEP Projects in Uganda

Preacher – Jane Achaloi

Reading – Genesis 1:26-28 & 2:8-25

Questions for individual and group consideration –

What does Genesis 1:26-28 say about the original **status** and **purpose** of humankind?

What does it mean to bear the image of God?

How much of God's image (his nature, his character) does your life reveal? [... or conceal?]

What did we learn about Eden from this talk? List the things that made it a holistic home for Adam & Eve: e.g.

- it was a safe place
- it was a place with plentiful food, 'locally sourced'
- it was a place with plentiful & pure water
- it was a place where human beings were at peace within and between themselves
- it was a place where human beings enjoyed complete relationship with their Creator
- it was a place where human beings lived in harmony with the environment

What elements of that harmony do you long to be restored to your community?

What do you have / could you do which might be a first step towards achieving one of those longings?
