Α	Main Items				
A1	Answers to 6       CB & CW fed back on their work around organisational         Critical Questions       clarity based on Patrick Lencioni's 6 Critical Questions				
			This is the start of an ongoing conversation not just at PCC but in small communities, our gatherings etc.		
		It will also help to give	organisational clarity		
		Why do we exist?			
		We exist to make wholehearted disciples of Jesus			

	Simply, the most effective and fruitful place for us to be as friends and followers of Jesus is to be the people God has made us to be in the places, He has called us to be. Fully alive in Him, surrendered and dependant on Him. This is wholeheartedness in Jesus, and we exist to help people move towards this place. For people who have and for those who do not yet have faith in Jesus. <b>How do we behave?</b> • Family is our environment and culture • Encounter is our pursuit • Generosity is our privilege		
	Transformation is the fruit		
	What do we do?		
	We create environments for people and connections with people that help them to encounter Jesus, receive His love and be transformed into the people God is calling them to be, doing the things He is calling them to do.		
	How will we succeed?		
	By creating meaningful and lasting relationships with people by reducing people's dependency on events and programmes by increasing people's dependency on Jesus by equipping people to be led by the Holy Spirit in the whole of their lives by demonstrating Jesus' love to the people of Clifton by a consistent focus on the current stage of the journey and people's calling and capacity CW shared a couple of stories coming out from the Light Destrue		
	<ul> <li>Light Party:</li> <li>100 plus kids were in the building. A mum as she was leaving said to Janet – I feel so welcome here it feels like family and I love your generosity</li> <li>A confidential item was removed from the public minutes here.</li> </ul>		
	Ruthy's heart is not just to run a Light Party but to demonstrate Jesus' love and the Light Party is the vehicle to do that.		
	What is important right now?		
	<ul> <li>Helping newcomers to find their place of belonging and relationship in our family</li> <li>Shifting the focus from Sunday to the whole of the</li> </ul>

		PL invited those who wished to, to say how they felt about what they had heard.	
		ME – helpful / good structure to answering the 6 questions – would like to move into operation now and who is going to do what	
		DV – found himself, surprisingly, liking the vagueness! but did think how are we going to communicate this?	
		SW – faith without works is dead came to mind, the challenge is looking outside and not expecting those to come to us	
		GS – gut feeling is we are doing exactly what we should be doing	
		JB – questioned relying on our feelings rather than thinking, however liked the focus on getting out	
		SK – felt emotional listening to the stories	
		AW – was this not what was happening before? Heard someone she knows say "wow I didn't know churches could be full like this?" Also hears lots of conversations around her about religion – can we find out what people are looking for, what puts them off?

<ul> <li>Oakfield Road gives us a potential opportunity – we would like to recommend a team getting together to look at our properties and make sure we are making the most of these. PCC to give their agreement for this team to be formed.</li> <li>Expenditure:         <ul> <li>Parish Share £184k (reflecting fall in income)</li> <li>Outside of the parish – to be held at 2021 level</li> <li>Personnel team yet to meet regarding Staff Salaries</li> </ul> </li> <li>Follow up on response to Generosity Sunday:         <ul> <li>As of Monday, we have received 57 responses, broken</li> </ul> </li> </ul>	
down as follows:	
<ul> <li>24 new givers, pledging £18,300 in 2022</li> <li>30 increasing their existing giving, totalling an increase of £22,464 (an amazing average increase of 34%)</li> <li>2 keeping their giving the same</li> <li>1 one-off gift of £1,300</li> </ul>	
Taken together, the annual increase is £42,064, representing 11.5% of the baseline giving in Sep 2021, versus a target increase of 15% set in the draft budget. So, we are most of the way there! However, the pledges from existing givers are still only about 1/6 of the total. Pledges are still coming in, and we plan to remind the church family about making pledges in the next couple of weeks. We will then approach individually those who have still not responded.	
Questions and Comments were raised around the table such as what is happening with RENEW and the outstanding grant applications? (no news at the time of the meeting)	
<ul> <li>Encouraged by new givers – but must keep this on the agenda - it can't be once a year thing</li> <li>JL commented that she is happy with the budget for the giving outside the parish and she also pointed to church family news email that had the latest Tearfund report.</li> <li>What can we do to encourage the other half of the church family to give? Can we provide the congregation with a quarterly update on where we are with giving?</li> <li>How honest are with the congregation with the deficit – they might think we are "fine" and therefore don't feel the need to give.</li> </ul>	
<ul> <li>How are we going to meet the RENEW shortfall?</li> <li>Can we say some trends within the numbers?</li> </ul>	
• Can we see some trends within the numbers?	

		<ul> <li>Do we need to revisit the reserves policy?</li> <li>Have we allowed enough in the budget to cover increasing energy costs?</li> <li>Is there budget for any loan repayments (to cover the RENEW shortfall)?</li> <li>Is the coffee shop being looked at or at least this space for lone working, English speaking lessons?</li> <li>What is happening with buy a brick?</li> <li>Should we be spending money on pastries each week? – feedback from people in the congregation</li> <li>Could there be slides (in the background) showing how much it costs to run the church each Sunday?</li> <li>DN – will take these questions offline and feedback next PCC meeting. He reflected on how good Generosity Sunday was that the focus was actually not about how much we need but about our individual response to money.</li> <li>There was no urgency to get the budget agreed tonight – so no vote was proposed.</li> <li>Approval was sought in principle to form a group to look at the assets and investments we have and that may arise:</li> <li>GS – proposed</li> <li>DV – Seconded</li> </ul>	Feedback on questions raised	DN - 31/01/22
		Unanimously carried SC to consider who might be asked to be in this group and PCC members ask to also think about those in the church family who may be experts in this field.	Formation of a Investment group	SC/PCC
